

Here is the schedule for the Career Trainee Course to be held on Monday, 6 March. As a special concession, OTR is bringing the group over to Headquarters for the entire DD/S&T day. There are about 90 students in this class.

[REDACTED] OTR, has scheduled you as the last speaker to wrap-up the DD/S&T day by tying things together, providing the philosophy of DD/S&T, and answering any questions. I have you down for 30 minutes. If you feel you want to give them any additional time and your calendar permits, OTR would be very happy for this.
